August 2010

Dear Museum friends:

Imagine sculptures of the human form in bright, primary colors; mosaic portraits of famous people; even a large-scale dinosaur – all made entirely of LEGO® bricks! That’s just what you’ll find for a limited time this fall in *The Art of the Brick*®, a playful new exhibition at the Art Museum of South Texas (AMST). To better showcase this one-time-only, traveling exhibition, we are offering a **special membership opportunity** for Museum friends.

Everyone who rejoins or renews an AMST membership between now and September 15 will receive a special invitation to the September 23 Opening Reception for this exhibition. In addition, the **first ten persons** to renew may set a time to have a portrait of themselves (and kids or grandkids!) taken at the Museum in front of their favorite *The Art of the Brick*® sculpture. Photography is otherwise prohibited during this exhibition.

Following the exhibition opening, **all current members** will be eligible for the following door prizes to be drawn from among those attending the October 17 Family Day:

- *A child’s birthday party with a LEGO® brick theme in the Museum (1)*
- *“The Art of the Brick”® book signed by the artist Nathan Sawaya (1)*
- *LEGO® building kit (2)*
- *Curators “Behind the Scenes” tour of the Museum and new exhibition (2)*
- *“Construction Cone” building block ice cream cups from the Café (4)*

Signing up for membership is easy! Simply fill out and return the enclosed form or call us at 361/825-3509. You can also utilize our secure web page at www.ArtMuseumofSouthTexas.org – just click on the membership tab. No matter which method you use, we’ll start your 12-month membership immediately so that you don’t miss any invitations or mailings. And don’t forget that membership also provides you with a 10% discount in both the Café and the Museum Store.

There will never be a better time to “**reconnect**” with the **Art Museum** – take time to join today!

PS Memberships also make a great gift – and we’ll still enter your name in the drawings!
